INTRODUCTION

Welcome to the Manhattan Public School District. We would like to take this opportunity to welcome new substitutes and thank our returning substitutes for your willingness to come alongside the District to serve our students.

Substitutes are an essential part of our team and in many cases allow us to keep our doors open to provide in-person instruction to students especially during challenging times. Please do not hesitate to ask questions as you substitute in different areas and/or classrooms through the District. Thank you again for your dedication to the District.

The material covered within this employee handbook is intended as a method of communicating to employees regarding general District information, rules, and regulations and is not intended to either enlarge or diminish any Board policy, administrative regulation, or negotiated agreement. Material contained herein may, therefore, be superseded by such Board policy, administrative regulation, negotiated agreement, or changes in state or federal law.

Any information contained in this employee handbook is subject to unilateral revision or elimination, from time to time, without notice, consultation, or publication, except as may be required by contractual agreements or law.

No information in this document shall be viewed as an offer, expressed or implied, or as a guarantee of any employment of any duration.

Rob Brownell – Board Chair
Mike Swan-Vice-Chair
Brand Robinson
Ethan Severson - HS Trustee

GENERAL TERMS OF EMPLOYMENT

EQUAL OPPORTUNITY EMPLOYMENT

The Board is an Equal Opportunity Employer. The District does not discriminate on the basis of race, creed, religion, color, national origin, age, physical or mental disability, marital status, genetic information, sex, or veteran status, as required by law. "Sex" includes sexual orientation and gender identity and expression. The District is required by federal law, including but not limited to the Civil Rights Act of 1964, Title IX, and Section 504 and the Americans with Disabilities Act and their regulations to not discriminate against individuals in violation of these laws.

Reasonable accommodation for individuals with disabilities will be made as required by law.

If considerations of sex, age or disability have a bona fide relationship to the unique requirements of a particular job or if there are federal or state legal requirements that apply, then sex, age or disability may be taken in account as a bona fide occupational qualification, provided such consideration is consistent with governing law.

If you have questions concerning District compliance with state and federal equal opportunity employment laws, including but not limited to Title IX, contact the District's Section 504/ADA Coordinator, school psychologist or a building principal. For additional information, please see **Policy 5010**.

Inquiries may also be directed to the Assistant Secretary for the U.S. Department of Education.

HARASSMENT/DISCRIMINATION

The Board intends that employees have a safe and orderly work environment in which to do their jobs. Therefore, the Board does not condone and will not tolerate harassment or bullying of employees, discrimination against employees, or any act prohibited by Board policy that disrupts the workplace and/or keeps employees from doing their jobs.

Employees are expected to be civil, respectful, and act in an orderly manner toward one another. Workplace harassment and bullying may be defined as the deliberate, hurtful, repeated mistreatment of an employee, driven by a desire to abuse or control that individual.

Common behaviors include, but are not limited to,:

- Injuring, threatening, harassing or intimidating a staff member, board member or any other person;
- Defamation of character and/or reputation;
- Yelling, shouting, and screaming; intimidating gestures toward fellow employees;
- Behind-the-back-put-downs, insulting, and unfair criticism;
- Damaging or threatening to damage another's property;
- The deliberate sabotage and undermining of another's work performance;
- Impeding, delaying, or otherwise interfering with the orderly conduct of the district employee program or any other activity occurring on school property;

- Operating a motor vehicle in a risky manner to scare or intimidate;
- Exclusion or social isolation; and
- Other inappropriate behavior that intimidates, offends, degrades or humiliates a co-worker, including occurrences in front of another co-worker, students, parents, contractors or visitors.

Any employee who believes that he or she, or any other employee or student, is being subjected to harassment or discrimination should bring the matter to the attention of the Supervisor and/or Building Principal. Complaints of sexual harassment should be brought to the District's Title IX Coordinator. The District will investigate any such concerns promptly and confidentially to the extent possible. Complaints will be addressed via the applicable grievance procedure; the District's grievance procedures can be found on the District's website at www.rollontigers.org and at each District building.

No employee will be subject to any form of reprisal or retaliation for having made a good-faith complaint under this policy. For complete information concerning the District's position prohibiting harassment/discrimination, assistance in reporting and responding to alleged incidents, and examples of prohibited behaviors, employees should refer to the District's policies and related procedures. For additional information if an employee believes that he or she has been discriminated against or harassed on the basis of race, creed, religion, color, national origin, age, physical or mental disability, marital status, genetic information, or sex, please see **Policies 5010, 5012 and 5015**.

HIRING

Substitutes are considered temporary employees and therefore do not receive a contract. Once all hiring paperwork is complete and background check results are received, substitutes will be placed on the District Substitute List and approved by the Manhattan School District Board of Trustees.

To keep the substitute list current each year, a form will be emailed to each individual on the substitute list prior to the beginning of the school year to verify contact information, preferred grades, and availability.

For further information on hiring, refer to **Policy 5120**.

CRIMINAL BACKGROUND CHECKS

Any individual recommended to be employed in a paid or volunteer position with the District, involving regular unsupervised access to students in schools, as determined by the Superintendent, shall submit to a criminal background investigation conducted by the appropriate law enforcement agency before consideration of the recommendation for employment or appointment. Any offer of employment or appointment will be contingent on results of the criminal background check. This policy shall also be applied to an employee of a person or firm holding a contract with the District, if the employee is working on school property, and the employee may have unsupervised access to students.

Any requirement of an applicant or employee of a contractor to submit to a fingerprint background check will be in compliance with the National Child Protection Act and applicable federal regulations. If an applicant has any prior record of arrest or conviction by any local, state, or federal law enforcement agency for an offense other than a minor traffic violation, the facts must be reviewed by the Superintendent, who will decide whether the applicant will

be declared eligible for appointment or employment. Arrests resolved without conviction will not be considered in the hiring process, unless the charges are pending. The Superintendent shall keep all criminal record information confidential as required by law. For additional information, please see **Policy 5122**.

CONFIDENTIALITY

In certain circumstances employees may receive confidential information regarding students' or employees' medical, discipline or court records. Employees are required to keep student and personnel information in the strictest confidence and are legally prohibited from passing confidential information along to any unauthorized individual. If employees have any questions about access to confidential information, they should speak to their Supervisor.

An official personnel file is established for each person employed by the district. A staff member's personnel file may contain such information as applications for employment, references, and records relative to compensation, payroll deductions, evaluations, complaints, and written disciplinary actions. All records containing medical-condition information, such as workers' compensation reports and release/permission to return to work forms, will be kept confidential, in a separate file from personnel records.

All personnel records are considered confidential and not open to public inspection.

Please refer to **Policies 5130 and 5231** for additional information.

Examples of life-sustaining emergency care may include: efforts to stop bleeding, unblocking airways, mouth-to-mouth resuscitation, and cardiopulmonary resuscitation (CPR).

Disregarding these rules constitutes grounds for suspension, expulsion, or other reasonable disciplinary action.

Staff members must notify law enforcement and/or the Department of Public Health and Human Services if they know or reasonably believe that allegations of harassment, intimidation, or bullying involving a student constitutes criminal activity or child abuse or neglect. The employee will also be subject to disciplinary action up to and including termination.
