5 Emergency Treatment

6  
7 The Board recognizes that schools are responsible for providing first aid or emergency treatment  
8 to a student in case of sudden illness or injury; however, further medical attention is the  
9 responsibility of a parent or guardian.

10  
11 The District requires that every parent or guardian provide a telephone number where a parent or  
12 designee of a parent may be reached in case of an emergency.

13  
14 When a student is injured, staff will provide immediate care and attention until relieved by a  
15 superior, a nurse, or a doctor. The District will employ its normal procedures to address medical  
16 emergencies without regard to the existence of a do not resuscitate (DNR) request. A principal  
17 or designated staff member will call a parent or parental designee so that the parent may arrange  
18 for care or treatment of an injured student.

19  
20 When a student develops symptoms of illness while at school, a responsible school official will  
21 do the following:

22  
23 Isolate the student from other children to a room or area segregated for that purpose;

24  
25 Inform a parent or guardian as soon as possible about the illness and request a parent or  
26 guardian to pick up the child; and

27  
28 Report each case of suspected communicable disease the same day by telephone to a  
29 local health authority or as soon as possible thereafter if a health authority cannot be  
30 reached the same day.

31  
32 When a parent or guardian cannot be reached, and it is the judgment of a principal or other  
33 person in charge that immediate medical attention is required, an injured student may be taken  
34 directly to a hospital. Once located, a parent or a guardian is responsible for continuing  
35 treatment or for making other arrangements.
